We might share your information with third parties for advertisement purposes

The game “You can win €1.500” is based on a draw.

A winner will be selected within all the subscribed participants, and he/she will win an amount up to €1.500, including taxes and by bank transfer, bank check or gift card – depending on the provision for which he/she has become a winner and with a specification of the value of the win in each transaction. If this information is missing, the winner will win a gift card with a value of €1.500.

The winner will be appointed during the draw that will take place on January 15th, 2019. This draw will take place under supervision of a notary designated for this purpose. The winner will be informed by VIP Response LTD about his/her prize within two weeks from when the draw takes place. The winner will be contacted through e-mail and/or telephone and/or letter with acknowledgement of receipt. This letter will specify how to claim and receive the prize.

In case the winner doesn't notify within 30 days from the “date of confirmation” of the winner, it will be assumed that the winner has renounced the prize. The winner authorizes all kinds of identification regarding his/her identity and place of residence (postal address and/or e-mail address). Any false identity or address information will automatically invalidate the winner.

#### **Article 6 – Sending the provisions**

6.1 The winner can be obliged to provide with proofs of his/her identity by sending a photocopy of his/her ID under request of the organizer, as well as a proof of his/her postal address (electricity or telephone invoice). In some cases, it is possible to request a telephone number in order to make an appointment to be handed the prize.

The wins are nominative and cannot be transferred to third parties.

6.2 The organizer and its affiliates will send the prize to the winners within 90 days from receiving the result of the draw.

6.3 In case the organizer sends a prize in money to an incorrect or incomplete address, the participant cannot claim his win and he/she will lose the property of it.

It is the user's responsibility to provide with and register an exact

address, to validate and verify it at the moment of signing in.

In case of lack of stock from the supplier's side, and therefore of impossibility to hand the prize chosen by the participant, he/she will be informed immediately by e-mail and he/she will be offered a product with a similar value having the same characteristics and possibilities.

The non-compliance or bad execution of a shipment made by a third party in case of major force will not be responsibility of the organizer.

#### **Article 7 – Reimbursement of connection fees.**

The access to the site and the participation in the games that are proposed are completely free of charge, therefore any connection fee paid by the participant will be refundable according the terms stated hereunder.

7.1 The connection fees incurred for the participation in the game will be reimbursed to the participants, in case of certifiable paid connection during the duration of the access to the website, based on the costs of the connection from the Internet provider proportional to the time of the access.

Taking into account that in the current state of services and technologies offers, some ISP offer zero fares or flat rates to the participants, therefore the subscription to the services of the access provider is in this case hired by the participant for their general internet use and that the fact that the participant registers for the operation mentioned in Article 2 of this Regulation and participates does not give rise to any additional cost or disbursement.

Therefore, it is explicitly reminded that no kind of access to the website and participation in free games (such as cable connection, ADSL or specialized cable connection) will result in reimbursement.

7.2 Only a monthly claim based on the address (same name, same postal address, same telephonic invoice or Internet provider), as long as the user is residing in Spain or in the Canary islands and as long as he uses the website in accordance with this regulation in order to obtain a refund of the connection fee.
